Bob Ingersoll's Opinion.

liob Ingersoll's Opinion.

In a pleasant conversation with Colonel the ther G Ingersolt at his cottage at Long Reanch recently, a reporter asked lawyer between showers what he thought of newspaper interviewing "I blieve, said the Colonel, "that James Redpath claims to have invented the nerview This system opens all doors, loos away with political pretense, batters down the forufications of dignity and official importance, pulls masks from selemn faces, compels everybody to show his hand The interviewer seems to be compresent. He is the next man after the accident. If a man should be bown up he would likely fall on an in

denounced as an insidel, sopple are thinking more and believing ess. The public is losing influence. In the light of modern discovery the creeds are laughable. A theologian is an intellect wal mummy, and excites attaction only as a curiosity. Supernatural religion has outlived its usefulness. The miracles and wonders of the ancients. will soon compy the same tent. onch and Jack the Grant Killer, Joshus and Red Ridling Hood, Noah and Negrune, will all go into the collection with See famous all go into the collection with the famous Mother Hubbard

Romance in Real Life

light in this city. The persons concerned have already acquired notorety in one shape or another through the medium of the public prints. Recordly there came to Philadelp is from Denver Colorado, Mirs Cody, a sister of Secretary of the Interior Telle: a tamora ble ludy with white hair. Mrs. Cody's mission was to find the wife and children of a certain John Scanlon, he set of David Scanlon who died bet year in Denver, leaving property valual at 225 on the only clue which the lady possesses as to their identity was hat Scanlon bunded his mether and afterward killed himself while awaiting trial. A search was made through the tecords of the court without revealing the name of Soanlon Mrs. Cody went to fis county jail, where she learned that a marreed Davidson had murdered his mether, and afterward, in June, 1892, killed himself while awaiting the name of Soanlon Mrs. Cody went to fis county jail, where she learned that a marreed Davidson had murdered his mether, and afterward, in June, 1892, killed himself while awaiting the rise of the count without revealing the marreed the property of the county part of the part of the county part of th ing, and clearing of bog, the land was no it would raise a little crop in ugest rackronted them

SAD SORRES OF POVERTY

The grist would raise a little crop in ugest the on capture of the public prints. Recently there on the demeane, and the wife on the demeane, and the strain lather's sgent. He has eight children and a chicken coop in the other of the strain lather's sgent. He has the strain and a chicken coop in the other of the strain and a chicken coop in the other of the strain and a chicken coop in the other of the strain and a chicken coop in the other of the strain and a chicken coop in the other of the strain and the print of the strain and the print of the strain and forther o

weet, halting in the cities by the way, and finally setting in Donver.

Here he dourished by diet of struct economy and constant application of his ness, and acquired a sure fortuna. After Scanlod deserted his wife, also came to Philadelphia likewist turned to pedding amail wares, and, after gailing for years for news from her husband one married a men neural Payades. David. married a man named Davidson David married a man named Davidson David-son in his turn was a peddler, and after his death his wife took charge of the lit-tle business which he left John Scan-lon, the son of her first husland, bo n after he descrited her, grew up to be a simple, half witted hid. He d was heav after he deserted her, grew up to be a sample, half witted had the d wak heavy ily and worked only when composited to do at the married some years ago a young woman in his own six on in life and lived happily with old Mr. Scanlon, or Devideon, as she was now et led. All though John's right name wis Scanlon he get the name of Davidson and went by it until his death. He grey quartel, some and frequently beat his sgil. The life work is the particle of the point of the angle of the point of the point of the angle of the point of the poi

gether in a miscrably furnished attor at No 718 Swanson street. Your gestalon had been drinking heavily in the morning and the neighbors heard nim quarreling with his mother. He word home to dinner, and then out agar, for more whisky. He was in an innuscrably regly frame of mind when he returned to the garret shortly before dark. He picked up a quarrel with the female occupant of the room below that occupand by the family out a trifling pretense, and after his evil passions had been moroughly excited tunded upon his tacther and struck her in the face with hin fiet. The old ady inched up a chair to delead nerself, but before she could is not the same on and snatched up a that the late of the room below that occupand by the family out a trifling pretense, and after his evil passions had been moroughly excited tunded upon his tacther and struck her in the face with hin fiet. The old add y inched up a chair to delead nerself, but before she could is not believed. the first of the state of the s

the dresary, doleful, philosophical dissertation has had its day. The mage milifall herr to such articles, then religious weeklies will take them and treat they will coase altogether. The papers lead and the newspapers, or do the newspapers lead the newspapers, or do the newspapers, or
